The Triumph features an optional slide-out that opens to create a spacious living room. The sofa located in the slide room folds out to two recline positions, or the electric trundle makes into a very comfortable 76" X 60" queen size bed. Two comfortable Flexsteel swivel chairs and a pull-up table opposite the sofa complete the living room area and provide a cozy area for dining. The kitchen includes a 3-burner stove with glass top for expanded countertop space, a convection microwave oven, a full 7.0 cu. ft. refrigerator/freezer, a sink with two compartments, and a pantry for canned goods. The full size bathroom comes complete with toilet, sink, separate shower, and storage. A 32" double wardrobe provides for ample hanging clothes storage, and for organizing other personal items in the lower areas.
