VEHICLE DESCRIPTION

STYLE MEETS VERSATILITY

Far beyond the aspirational coaches strewn across the gas-engine landscape, this Canyon Star 3719 is both well-designed and purposefully appointed, blending an uncompromising level of detail with residential amenities like in-coach Wi-Fi, Central Vac, and supple Ultralux® seating.

This all new floorplan boasts four power slideouts and is packed full of creature comforts that include the most popular seating options, from an 87-inch jackknife Hide-A-Bed sofa to a deluxe swivel recliner. An ultra-plush dinette booth features a drop-down table that lies just below a retractable 4K LED TV, and three separate pantry spaces help keep kitchen clutter to a minimum.

The "Madras" decor with Harbour Maple Glazed hardwood adds a hint of Southwestern flair to an otherwise soft, neutral color palette. With matching "Madras" exterior graphics.
