### VEHICLE DESCRIPTION

## BY1308 NEW 2020 COACHMEN CHAPARRAL LITE 30RLS FIFTH WHEEL LIGHTWEIGHT

### CHAPARRAL LITE FIFTH WHEELS

The Chaparral Lite Fifth Wheel is designed for people that enjoy the RV lifestyle, want the comforts and amenities of home but without having to invest in a tank to pull it!

Chaparral Lite Fifth Wheels are designed with great aerodynamics and lightweight materials to provide half-ton pickup truck owners an RV that pulls incredibly light but lives exceptionally big! We believe that a natural towing experience – one in which you can forget that you are actually pulling something – can be achieved through great aerodynamics and light weights. Our combination of Alumicage construction and Turn Tec Engineering has taken towability to a whole new level. Chaparral Lite Fifth Wheels are available in single, double and triple slide-out floorplans that have been designed to meet and exceed the needs of today's RV enthusiast.
